2010 PACIFIC JUNIOR CURLING CHAMPIONSHIPS (PJCC)

NAYORO, JAPAN 11 – 16 JANUARY 2010

- 1. World Curling Federation (WCF) rules apply, unless otherwise indicated below, or stated during the Official Team Meeting, which is scheduled between 12:10 12:40 at the Sun Pillar Park Curling Hall on Monday, 11 January 2010.
- 2. The Junior Women (4 teams) and the Junior Men (5 teams) will play a double round robin series. At the end of the round robins there will be a ranking established for places 1 to 3 using the WCF Rules of Competition C9 -Team Ranking Procedure. In the single semi-final games the teams ranked # 2 will play against the teams ranked # 3. The winners of the semi-final will play in the Gold/Silver medal games against the teams that were ranked # 1. The winners of the Gold Medal games will qualify for the 2010 World Junior Curling Championships (WJCC).
- 3. All games for the jr. women will be ten (10) ends, with extra end(s) to break tied games.
- 4. The round robin and tie-breaker games for the junior men (some days three games in a day) will be eight (8) ends, with extra end(s) to break tied games. For the semi-final and final the games will be ten (10) ends, with extra end(s) to break tied games.
- 5. There will be a ten minute practice for each team before every game. The practice starts 30 minutes before the scheduled game time that is shown on the schedule (i.e. schedule shows 09:00 therefore 08:30 08:40 the team having last stone in the first end practices, 08:40 08:50 the other team practices, 08:50 09:00 ice cleaning, 09:00 the game starts).
- 6. In the official schedule the * indicates last stone in the first end. Since every team plays every other team twice, they will have last stone in the first end in one of those games, and will be without last stone in the first end in the other game.
- 7. In the semi-final and Gold/Silver game, if one team is clearly ahead of their opponent after the round-robin, or if tied and one team won both round robin games, then that team will have last stone advantage in the first end (first practice) and there will be toss for stone colour. If no team is clearly ahead and neither tied team won both round robin games, then there will be a coin toss and the winner of the toss will have the choice of last stone in the first end (first practice), or choice of stone colour.
- 8. First named team in each of the round-robin games plays the stones with the dark coloured handles and should wear dark coloured upper playing garments.
- 9. The Chief Umpire will determine the schedule and ice for any necessary tiebreaker games as soon as the number of games required and the opponents have been clearly determined. Additional training times and ice will also be decided by the Chief Umpire.
